The professional edition also comes with a very productive tool that can be used to create your own dictionary. If you don't want to pay the full price of the software, there is another option; you can buy Abby Finereader Professional Edition Key Code and activate it for 30 or 60 days at a time which means that you will be able to use this software for a short period of time and if after using it you don't like it, then there is no need to suffer any kind of damage because Abby Finereader Professional Edition Key Code has an expiration date and once it expires then no longer can you use this product.
